## 2010 Scholarship Information

Each year our tuition is calculated based upon our projected costs. We do not ask paying students to pay for non-paying students. Each year a few caring individuals & organizations do volunteer to assist deserving students who are truly financially disadvantaged.

We recommend that applicants exhaust appeals to their respective schools, service clubs, & music support groups before applying to Sierra Mountain Music Camp. Nevertheless, a strong recommendation from a student's music teacher, instructor social worker or pastor with personal knowledge of a student's financial need & deserving qualities will be favorably considered. A committee elected by the board will review applications & available funds. Please provide the following information as well as the Scholarship Application and \$75 refundable deposit no later than May 15, 2010:

1. State the amount of tuition you can afford.
2. **Please provide recent W-2 or tax return, unemployment or disability check stub, or other evidence of financial hardship.**
3. **Please include a letter (at least 1 paragraph) from the camper describing their interest in camp, and why they'd like to attend. Parents can assist if needed.**
4. List any other summer camps (church, music, school, sports, etc) you plan to attend.
5. Obtain a letter of recommendation from teacher or instructor or pastor who knows of your financial hardship.
6. State the efforts you have made to obtain assistance from other sources (i.e.) schools, grandparents, & service clubs in your communities such as Rotary, Kiwanis, & Lions etc.

**Please tell us more about yourself so that we can evaluate whether you meet criteria of scholarships.** The board will only consider applications for scholarship accompanied by a completed registration form, supporting documentation and a \$75.00 deposit, which can be refunded if your scholarship is denied.
